Congratulations on your new InAlto 8kg/5kg Combi Washer Dryer!

BEFORE FIRST USE

Before using your Combi Washer Dryer for the first time:

- Ensure the appliance is correctly installed as per the installation instructions in your User Manual pages 8–9.
- The transport bolts have been removed from the rear.
- Clean your appliance before first use. To remove any residual water and to neutralise potential odours from the manufacturing process, we recommend to clean the inner drum by running the “Drum Clean” program. Do not to put laundry and detergent in the machine when performing the Drum Clean program.
- Please check your laundry care labels and the detergent use instructions before wash.
